☐ Order FREE samples at inpro.com/PrismSamples24 for a more accurate color representation.

Customize your chip color to personalize your partitions + wall panels. Ask your sales rep for more details.

The standard finish on light colors is matte and the standard finish on medium and dark colors is satin. Customize your chip color for personalized branding. Please contact your Sales Representative to learn more.

Price information given is based on a range for product price only, with $ representing the most economical choice and $$$$ representing the most premium choice when comparing products of equal materials, finishes and options. Other cost considerations like shipping, taxes, minimum order charges, etc. are not accounted for in this range.

inpro®

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
