NEW! Shield-HH Fabrics

NEW! Shield-HH is the newest offering from our Shield by Panaz® line. This sustainable fabric option offers water repellency and stain resistance, without antimicrobial properties, for projects following Practice Greenhealth - Healthier Hospitals criteria.

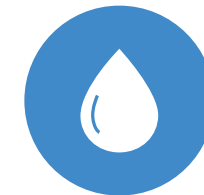

Designer Friendly

Shield-HH is available in all Shield by Panaz® patterns, as well as any of the custom patterns and colorways offered through our **NEW!** Custom Print Program.
(see reverse side for details)

HH-Compliant

Shield-HH fabrics are antimicrobial-free with finishes that meet Practice Greenhealth - Healthier Hospitals Criteria.

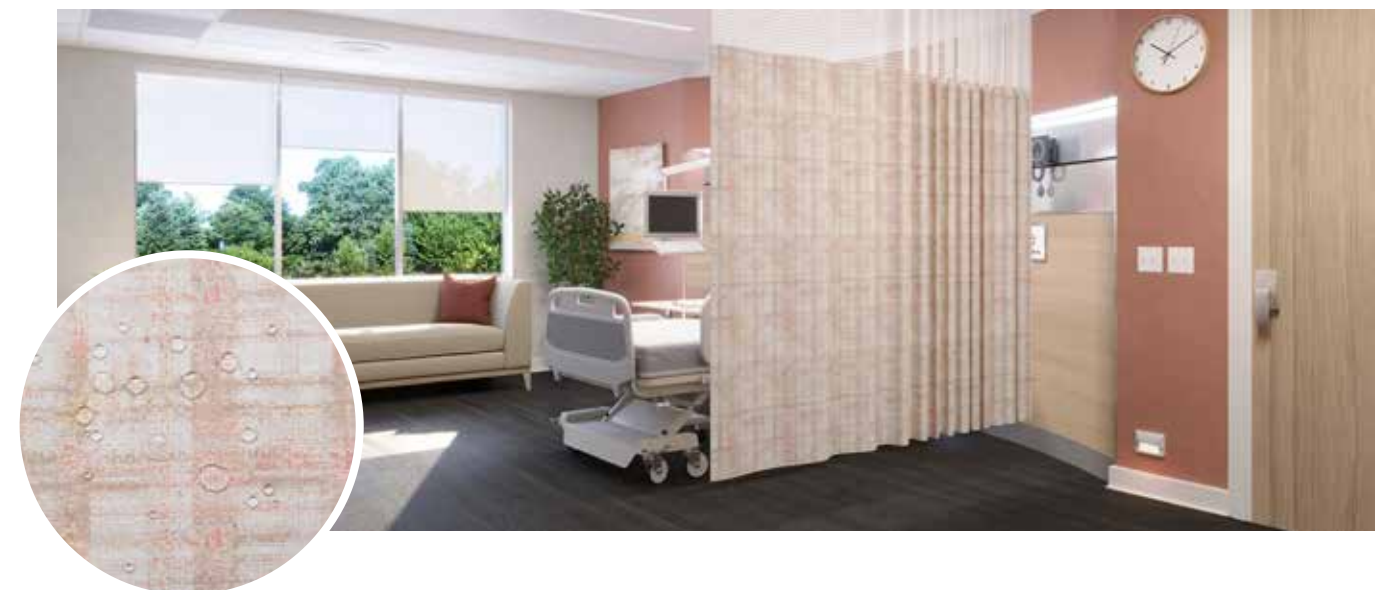

Water + Stain Repellent

Shield-HH is water repellent and stain resistant, so spills can be wiped clean in place, decreasing the amount of laundering required.

Easy Care + Maintenance

Just like Shield by Panaz®, Shield-HH fabrics do not require any special detergents to maintain their water and stain repellency and needs little to no dry time.

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
