The Project

Renovation of all elevator cabs at Promenade Condominiums. This 11-story luxury condo complex is located on 6 ½ acres fronting the Gulf Coast. It also features one of the largest pools in the Key, as well as a spa facility overlooking the beach.

Inpro® Products Used

In total, four elevator cabs in the complex were modernized with our Hercules™ cab style and outfitted with American Walnut panels. Handrails, toes kicks and friezes were also installed to complete the renovation.
