Charlotte, N.C.

Installer: Bell Elevator Interiors
Columbia, S.C.

The Facility

Levine Children's Hospital is a 234-bed pediatric hospital located on the campus of Carolinas Medical Center in Charlotte, North Carolina. The hospital opened its doors in October 2007. It is named after Leon Levine. The hospital has a Pediatric Cardiovascular ICU that can serve up to 4 open heart surgeries a day. The 20 bed unit is shared with a 10-bed Pediatric ICU.

Inpro® Products Used

- The lower wall panels are an application of Inpro Ricochet® Flexible Wall Protection - Strata pattern in Montego Bay color (shown here at right)
- The middle panels are made from Inpro's Palladium® Rigid Sheet in Feather color. The rear panels incorporated the hospital's logo.
- Upper panels are Palladium® Rigid Sheet in Nevermar Edenwood grain pattern
