## Project Profile

### The Project

Renovation of entire 3-floor, 66-room facility. What made this installation unique is the hotel chose to install wall guards down the entire length of the corridor in all corridors of the facility. The goal was to step up their wall protection to the maximum to keep damage from luggage and housekeeping carts to a minimum.

### Inpro® Products Used

- 500 Wall Guards
- No-tape Corner Guards

obsessed with protecting buildings®
