## Project Profile

Architect: Somerville Inc.  
Green Bay, Wisconsin

Contractor: Miron Construction  
Appleton, Wisconsin

## The Project

New clinic and procedure center in Stevens Point is now the largest independent practice in Northern and Central Wisconsin dedicated exclusively to gastroenterology care. The clinic is staffed by a dozen practitioners and support personnel.

## Inpro® Products Used

An extensive array across several product lines:

### Door + Wall Protection

## **obsessed with protecting buildings®**

How they look. How they function.  
And how they protect the health and safety  
of the people who use them every day.

That's why we make hundreds of architectural  
products all under one roof and work tirelessly to  
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't  
have it any other way.
